

Metro United Way

what matters.™

Dear Patron of Independent film and social causes,

Metro United Way envisions a Louisville regional community that is the most vital, caring community in the nation. For over 90 years, we have worked to advance the common good by focusing on education, income and health. These are the building blocks for a good life - a quality education that leads to a stable job, enough income to support a family through retirement, and good health. Metro United Way currently funds 160 programs whose mission aligns with our community vision. Our partners include the American Red Cross, American Cancer Society, Salvation Army, Bridgehaven, Jefferson Alcohol and Drug Abuse Center, and the Center for Women and Families. Today, Metro United Way serves a seven county area including Jefferson, Oldham, Shelby, and Bullitt counties in Kentucky and Clark, Floyd and Harrison counties in Indiana.

We highly recommend John Paul Rice and his production company No Restrictions Entertainment.

Metro United Way respects artists and groups that tackle challenging social issues such as the filmmakers have proven with their previous film ONE HOUR FANTASY GIRL which is based on a true story of a young woman finding her inner strength to follow her dream.

Mr. Rice's next film, THE MAGIC STONE, deals with homelessness and mental illness.

We believe in their artistic integrity. Any assistance you can extend to help make and support this film is greatly appreciated.

Sincerely,

Angela R. Champion, MPA
